

Division	Equipment class	Designation	Detailed specification	Quantity	Unit	Place of delivery	Expected order	Expected delivery	Subject matter
Electronic communication	Applied communication equipment	CDT device		1	Set	Kawagoe Thermal Power Plant etc.	2019/6	2021/3	Kawagoe Thermal Power Plant Unit 3/4, replacement of gas information transmission
Electronic communication	Applied communication equipment	DIM device		1	Set	Chiyoda Building/ Gifu Office	2019/4	2022/12	Office Load Dispatching Control Center, system replacement-related communication work
Electronic communication	Automatic switching device	SIP server		1	Set	Chiyoda Building	2019/9	2022/12	Office Load Dispatching Control Center, system replacement-related communication work
Electronic communication	Automatic switching device	Dispatcher telephone device		1	Set	Nagoya Load Dispatching Control Center	2019/7	2022/12	Nagoya Load Dispatching Control Center, replacement of load dispatching control center system
Electronic communication	Power supply device	Rectifier		1	Set	Within the jurisdiction of Gifu Office	2019/4	2020/5	Chubu Electric Power Company's integrated IP network construction (Gifu Office - 2nd term)
Electronic communication	Power supply device	Rectifier		1	Set	Within the jurisdiction of Nagano Office	2019/5	2020/9	Chubu Electric Power Company's integrated IP network construction (Nagano Office - 2nd term)
Electronic communication	Power supply device	Rectifier		1	Set	Within the jurisdiction of Nagoya Office	2019/5	2020/9	Chubu Electric Power Company's integrated IP network construction (Nagoya Office - 2nd term)
Electronic communication	Power supply device	Rectifier		1	Set	Within the jurisdiction of Mie Office	2019/5	2020/6	Chubu Electric Power Company's integrated IP network construction (Mie Office - 2nd term)
Electronic communication	Power supply device	Storage battery		1	Set	Within the jurisdiction of Gifu Office	2019/5	2020/4	Chubu Electric Power Company's integrated IP network construction (Gifu Office - 2nd term)
Electronic communication	Power supply device	Storage battery		1	Set	Within the jurisdiction of Nagoya Office	2019/5	2020/4	Chubu Electric Power Company's integrated IP network construction (Nagoya Office - 2nd term)
Electronic communication	Carrier communication device	6MOPT		1	Set	Taketoyo Thermal Power Plant etc.	2019/9	2020/7	Taketoyo Thermal Power Plant Unit 5, new construction-related communication work
Electronic communication	Carrier communication device	DWDM		40	units	Mie Office	2019/5	2020/6	Chubu Electric Power Company's integrated IP network construction (Mie Office - 2nd term)
Electronic communication	Carrier communication device	DWDM		12	units	Nagano Office	2019/5	2020/6	Chubu Electric Power Company's integrated IP network construction (Nagano Office - 2nd term)
Electronic communication	Carrier communication device	DWDM		22	units	Chiyoda Building	2019/5	2020/6	Chubu Electric Power Company's integrated IP network construction (Nagoya Office - 2nd term)
Electronic communication	Carrier communication device	MC		215	units	Chiyoda Building	2019/5	2020/6	Chubu Electric Power Company's integrated IP network construction (Nagoya Office - 2nd term)
