

April 5, 2012

Governor Hideaki Omura
Aichi Prefecture

Akihisa Mizuno,
President and Representative Director
Chubu Electric Power Co., Inc.

Response to “Regarding Cooperation in accepting Debris resulting
from the Earthquake and Tsunami Disaster”

In response to “Regarding Cooperation in accepting Debris resulting from the Earthquake and Tsunami Disaster” (Governor, Aichi Prefecture), dated April 5, 2012, and “Regarding Cooperation in accepting Debris resulting from the Earthquake and Tsunami Disaster” (2012 Junkan No. 673; Director, Department of Environment, Aichi Prefecture) , dated the same day, Chubu Electric Power Co., Inc. will confirm detailed items relating to the proposed plan, and will conduct a technological study of its feasibility, with the securing of the approval of residents of the prefecture by the prefectural government as a necessary prerequisite.
