

Division	Equipment class	Designation	Detailed specifications	Quantity	Unit	Place of delivery	Scale class	Expected order	Expected delivery	Subject matter
Nuclear Power	Applied communication equipment	Alarm device	Update of control panel alarm device for waste treatment equipment	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/4	2026/9	Hamaoka Nuclear Power Station Unit 2, update of control panel alarm device for waste treatment equipment
Nuclear Power	Switch	GIS	Purchase of parts for maintenance and inspection of power transformation equipment	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/8	2026/10	GIS Inspection Components
Nuclear Power	Air-conditioner	Air-conditioner	Replacement of deteriorated local coolers	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/4	2026/5	Hamaoka NRW, replacement of NRW-2 control room local cooler
Nuclear Power	Measuring equipment	Radiation meter	Regular inspection of radiation meters, etc.	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/4	2026/3	Regular inspection and repair of radiation meter, etc.
Nuclear Power	Measuring equipment	Pressure detector	Purchase of main steam pressure detector	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/5	2026/12	Hamaoka Nuclear Power Station Unit 4, main steam pressure detector
Nuclear Power	Measuring equipment	Measuring equipment	Replacement and repair of RCWS pump bearing lubricating water flowmeter	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/5	2028/3	Hamaoka Nuclear Power Station Unit 4, RCWS pump bearing lubricating water flowmeter
Nuclear Power	Measuring equipment	Detector	Repair of local power range monitor detector, purchase of LPRM detector	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/10	2030/5	LPRM detector (Repair of local power range monitor detector, (13th))
Nuclear Power	Measuring equipment	Detector	Repair of start-up range monitor detector, purchase of SRNM detector	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/10	2030/5	SRNM detector
Nuclear Power	Nuclear reactor	Control rod	Purchase of control rod	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/6	2027/6	Hamaoka Nuclear Power Station Unit 4, control rod
Nuclear Power	Miscellaneous device	Bio-toilet	Bio-toilet update	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/4	2026/3	Hamaoka Nuclear Power Station Unit 2, update work of bio-toilet in a controlled area
Nuclear Power	Miscellaneous device	Firewall	Firewall installation	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/7	2026/6	Hamaoka common facilities, firewall for SPDS
Nuclear Power	Others (components)	Protective relay	Periodic replacement of electrical equipment based on the electrical equipment replacement cycle table	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/4	2026/3	Hamaoka Nuclear Power Station Unit 3, repair of protective relay, etc. (8th maintenance and inspection)
Nuclear Power	Others (components)	Radiation control device	Regular inspection of radiation meters, etc.	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/4	2026/3	Repair of supplies, including radiation control device, etc.
Nuclear Power	Others (components)	Radiation control equipment	Regular inspection of radiation control equipment	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/4	2026/2	Hamaoka common facilities, regular inspection and repair of radiation control equipment (Fuji Electric)
Nuclear Power	Others (components)	Pressure/differential pressure transmitters	Replacement and repair of pressure/differential pressure transmitters	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/5	2031/3	Hamaoka Nuclear Power Station Unit 4, pressure/differential pressure transmitters
Nuclear Power	Others (components)	Inspection device	Repair of in-service inspection devices	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/5	2026/1	Hamaoka common facilities, inspection and repair of in-service inspection devices
Nuclear Power	Others (components)	Rack	Purchase of on-site bunker storage rack	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/5	2027/6	Hamaoka NRW, installation of on-site bunker storage rack
Nuclear Power	Others (components)	Earthquake observation device	Improvement of earthquake observation device	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/5	2026/2	Hamaoka Nuclear Power Station Unit 5, improvement of earthquake observation device (recording device)
Nuclear Power	Others (components)	Differential pressure transmitter	Replacement and repair of RCWS/HPCWS vortex strainer differential pressure transmitter	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/5	2027/5	Hamaoka Nuclear Power Station Unit 4, RCWS/HPCWS vortex strainer differential pressure transmitter
Nuclear Power	Others (components)	Labeling device	Installation of labeling device for inspection transport equipment	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/5	2026/4	Hamaoka NRW, labeling device for inspection transport equipment
Nuclear Power	Others (components)	Incinerator	Remodeling of backwash device for the 2nd incinerator	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/6	2025/10	Hamaoka NRW, remodeling of 2nd incinerator backwash device
Nuclear Power	Others (components)	Data diode device	Update of data diode device	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/6	2026/12	Hamaoka common facilities, data diode device
Nuclear Power	Others (components)	Shroud repair device	Purchase of EDM power supply panel	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/6	2026/4	Hamaoka Nuclear Power Station Unit 4, shroud repair device
Nuclear Power	Others (components)	Electric furnace	Replacement of electric furnace	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/6	2026/3	Electric furnace No. 1
Nuclear Power	Others (components)	Jig	Purchase of jig for removing retainers	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/7	2026/8	Hamaoka common facilities, jet pump retainer removal device
Nuclear Power	Others (components)	Monitor	Replacement of post-laundry monitor	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/7	2026/9	Post-laundry monitor
Nuclear Power	Others (components)	Monitor	Replacement of laundry gross monitor	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/7	2027/2	Laundry gross monitor
Nuclear Power	Others (components)	Laundry equipment	Replacement of laundry equipment	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/8	2026/8	Hamaoka common facilities, laundry equipment
Nuclear Power	Others (components)	Flame monitoring device	Hamaoka NRW2, installation of flame monitoring device	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/8	2027/3	Flame monitoring device
Nuclear Power	Others (components)	Gas shipping device	Hamaoka common facilities, supply replenishment (gas shipping device), main unit	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/10	2026/3	Hamaoka common facilities, supply replenishment (gas shipping device), main unit
Nuclear Power	Others (components)	Cooling coil	Purchase of parts for cooling coil	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/11	2026/4	Hamaoka Nuclear Power Station Unit 2, R/B supply air cooling coil parts
Nuclear Power	Others (Power generation attachments)	Control device	Replacement of turbine system digital control device in regular use	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/7	2031/3	Hamaoka Nuclear Power Station Unit 4, turbine system digital control device in regular use
Nuclear Power	Others (Power generation attachments)	Control device	Replacement of electrohydraulic turbine control device	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/7	2031/3	Hamaoka Nuclear Power Station Unit 4, electrohydraulic turbine control device

Division	Equipment class	Designation	Detailed specifications	Quantity	Unit	Place of delivery	Scale class	Expected order	Expected delivery	Subject matter
Nuclear Power	Others (Power generation attachments)	Control device	Replacement of turbine control device for feedwater pump	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/7	2031/3	Hamaoka Nuclear Power Station Unit 4, turbine control device for feedwater pump
Nuclear Power	Others (Power generation attachments)	Control device	Replacement work of digital safety protection system control device	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/9	2034/4	Hamaoka Nuclear Power Station Unit 5, digital safety protection system control device (ECCS class)
Nuclear Power	Steel towers and steel structures	Steel tower repair parts	Purchase of repair parts for wireless communication steel tower within the premise of Hamaoka Nuclear Power Station	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/9	2026/9	Wireless communication steel tower repair parts
Nuclear Power	Power supply device	Power supply panel	Installation of common auxiliary device panel	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/4	2027/3	Hamaoka Nuclear Power Station Unit 3, installation of common auxiliary device panel
Nuclear Power	Power supply device	Power supply device	Replacement of measurement control CVCF	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/5	2030/1	Measurement control CVCF
Nuclear Power	Power supply device	Control center	Replacement of control center	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/5	2026/10	Hamaoka Nuclear Power Station Unit 4, replacement of control center
Nuclear Power	Power supply device	Power center, control center	Purchase of P/C–C/C unit due to remodeling of ventilation system, air conditioning and chilled water equipment	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/5	2026/5	P/C–C/C unit
Nuclear Power	Power supply device	Cubicle	Purchase of parts for remodeling new receiving equipment due to decommissioning of Unit 1/2	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/6	2026/11	Cubicle for feedwater treatment C/C power supply conversion
Nuclear Power	Power supply device	Control center	Replacement of control center	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/10	2027/10	Hamaoka Nuclear Power Station Unit 3, replacement of control center
Nuclear Power	Wiring accessories	Lighting equipment	Replacement of lighting equipment	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/7	2026/1	Lighting equipment (replacement of Unit 4 lighting equipment)
Nuclear Power	Generator	Diesel generator	Purchase of parts for maintenance and inspection	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/5	2026/2	Hamaoka Nuclear Power Station Unit 3, DG inspection parts
Nuclear Power	Generator	Diesel generator	Purchase of parts for maintenance and inspection	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/9	2026/9	Hamaoka Nuclear Power Station Unit 4, DG inspection parts
Nuclear Power	General-purpose computer	Computer	Replacement of turbine system CCU computer	1	Set	Premises of Hamaoka Nuclear Power Station	A	2025/7	2031/3	Hamaoka Nuclear Power Station Unit 4, turbine system CCU computer
Nuclear Power	Valve	Electromagnetic valve	Purchase of electromagnetic valve for maintenance and inspection	1	Set	Premises of Hamaoka Nuclear Power Station	C	2026/2	2026/7	Electromagnetic valve
Nuclear Power	Transformer	Transformer	Replenishment of spare parts	1	Set	Premises of Hamaoka Nuclear Power Station	B	2025/6	2026/4	Hamaoka Nuclear Power Station Unit 3, replenishment of bushing spare parts for starting transformers (A) and (B)
Nuclear Power	Pump	Pump	Purchase of pump due to remodeling of No. 1 fresh water tank and extinguishment equipment, etc.	1	Set	Premises of Hamaoka Nuclear Power Station	B	2026/2	2027/1	Hamaoka common facilities, purchase of pump due to remodeling of No. 1 fresh water tank and extinguishment equipment
Nuclear Power	Radio equipment	Disaster prevention communication system	Replacement of equipment for digital disaster prevention communication system of Shizuoka Prefecture	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/4	2026/3	Replacement of digital disaster prevention communication system of Shizuoka Prefecture
Nuclear Power	Radio equipment	Satellite communication equipment	Upgrade to next-generation satellite communications service	1	Set	Premises of Hamaoka Nuclear Power Station	C	2025/12	2027/6	Update of integrated nuclear disaster prevention satellite communication equipment
