

Division	Equipment class	Designation	Detailed specification	Quantity	Unit	Place of delivery	Expected order	Expected delivery	Subject matter
Information	General purpose computer	Create! FormPrintv11		1	Set	Headquarters, IT System Center, NW Facilities System Group	2019/6	2019/9	Purchase of typewritten middleware (for actual environment)
Information	General purpose computer	SOF (Software)	CIS Interconnected system software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/3	CIS Interconnected system function improvement (FY2019)
Information	General purpose computer	SOF (Software)	CIS Interconnected system software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/3	CIS Interconnected system function improvement (Compliance with the legal provisions)
Information	General purpose computer	SOF (Software)	Planned Interconnection (TSO) software	1	Set	Headquarters, Central Load Dispatching Center	2019/6	2020/3	Planned CIS Interconnected system function improvement (Reconsideration of FIT Special 1)
Information	General purpose computer	SOF (Software)	Planned Interconnection (TSO) software	1	Set	Headquarters, Central Load Dispatching Center	2019/5	2020/4	Planned Interconnection (TSO) system function improvement (FY2019)
Information	General purpose computer	SOF (Software)	Planned Interconnection (Sales) software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/3	Planned Interconnection (Sales) system function improvement (FY2019)
Information	General purpose computer	SOF (Software)	Short-Term Demand/Supply (Power Generation) software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/3	Short-Term Demand/Supply Plan (Power Generation) system function improvement (FY2019)
Information	General purpose computer	Software		1	Set	Headquarters, IT System Center, NW Facilities System Group	2019/4	2019/4	Power Distribution Asset Management System Development
Information	General purpose computer	Operating Plan Support System Server	Work Application System DB Server	2	units	Headquarters, Central Load Dispatching Center	2019/5	2021/3	Work Application System computer replacement
Information	General purpose computer	Operating Plan Support System software	RY Settling Support System software	1	Set	Headquarters, Central Load Dispatching Center	2019/5	2020/3	RY Settling Support System function improvement (FY2019)
Information	General purpose computer	Operating Plan Support System software	Trunk Operating Plan software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/4	Operating Plan/Planned Interconnection (TSO) function improvement (Multiple bus arrangement for Minami-Fukumitsu)
Information	General purpose computer	Operating Plan Support System software	Trunk Operating Plan software	1	Set	Headquarters, Central Load Dispatching Control Center	2019/4	2020/4	Operating Plan Support System function improvement (New construction of Hida Converter Station)
Information	General purpose computer	Operating Plan Support System software	Work Application System software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/4	Work Application System function improvement (Compliance with legal unbundling)
Information	General purpose computer	Operating Plan Support System software	Annual Demand/Supply Plan System software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/3	Annual Demand/Supply Plan system function improvement (FY2019)
Information	General purpose computer	Power Supply Information Provision System Server	EMIS Server (Weather System)	1	unit	Headquarters, Central Load Dispatching Center	2019/6	2020/6	EMIS Power Supply Weather (TSO) Performance Maintenance Response
Information	General purpose computer	Power Supply Information Provision System software	EMIS Demand/Supply (Sales) software	1	Set	Headquarters, Central Load Dispatching Center	2019/4	2020/3	EMIS Demand/Supply Plan Inter connection (Sales) function improvement (Termination of FIT)
Information	General purpose computer	Employee IC Card	FeliCa IC Card issuance software CIMSA Printer CX-7000	1	Set	Headquarters, IT System Center, Platform Group	2019/4	2019/8	Employee IC Card (Hard)
Information	General purpose computer	Standard BI (Tableau)		1	Set	Headquarters, IT System Center, Platform Group	2019/4	2019/5	Standard BI (Tableau) Accounting Division
Others	Others (components)	Experimental components	RTDS (Novacor 5-core x 2 units)	1	Set	Electric Power Reserch & Development Center	2019/4	2019/7	RTDS Expansion
Others	Others (components)	DC Capacitor, protection resistor (PSO), gap actuator parts	Rated DC 100kV, capacity 1μF x 26 units, 1.67kΩ x 4, capacitor etc. x 1 set	1	Set	Electric Power Reserch & Development Center	2019/5	2020/8	Shock voltage generator parts replacement
Others	Others (components)	Crystal orientation analysis system	Resolution 1.0nm, magnification × 10 to × 1,000,000, with backscattered electron diffraction (EDAX-EBSD)	1	Set	Electric Power Reserch & Development Center	2019/5	2019/12	Crystal orientation analysis system replacement
