

Division	Equipment class	Designation	Detailed specification	Quantity	Unit	Place of delivery	Scale class	Expected order	Expected delivery	Subject matter
IT	Others (components)	USB flash drive antivirus tool	USB flash drive antivirus tool	18	pcs	Headquarters building	D	2024/11	2024/12	Purchase of USB flash drive antivirus tool
Others	Others (components)	Plane wave generator	-	1	Set	Research & Development Division	B	2024/4	2024/11	Replacement of plane wave generator
Others	Others (components)	Accelerated weathering testing device	-	1	Set	Research & Development Division	C	2024/4	2024/12	Replacement of accelerated weathering testing device
Others	Others (components)	Differential thermobalance	-	1	Set	Research & Development Division	C	2024/4	2024/12	Replacement of differential thermobalance
Others	Others (components)	Two-dimensional wave generator	-	1	Set	Research & Development Division	C	2024/4	2024/11	Replacement of two-dimensional wave generator
Others	Others (components)	Strength evaluation tester	-	1	Set	Research & Development Division	D	2024/4	2024/12	Replacement of strength evaluation tester
Others	Others (components)	Storage battery	-	1	Set	Research & Development Division	D	2024/4	2024/12	Replacement of storage battery in Research & Development Division West Building
Others	Others (components)	Inspection and repair of μ-XRF	-	1	Set	Research & Development Division	D	2024/4	2024/6	Inspection and repair of μ-XRF
Others	Others (components)	Servo wave gauge	-	1	Set	Research & Development Division	D	2024/4	2024/12	Replacement of servo wave gauge
Others	Others (components)	Thermo-hygrostat	-	1	Set	Research & Development Division	D	2024/4	2024/12	Replacement of thermo-hygrostat
Others	Others (components)	Inspection and repair of ion chromatograph	-	1	Set	Research & Development Division	D	2024/4	2024/6	Inspection and repair of ion chromatograph
Others	Others (components)	Actual bolt/nut clamping aging test materials	-	1	Set	Research & Development Division	D	2024/4	2024/7	Actual bolt/nut clamping aging test materials
Others	Others (components)	Steam convection oven	-	1	Set	Research & Development Division	D	2024/4	2024/9	-
Others	Others (components)	Electronic balance	-	1	Set	Research & Development Division	D	2024/4	2024/9	Replacement of electronic balance (Chemistry Laboratory), replacement of electronic balance (Balance Laboratory)
Others	Others (components)	Distillation equipment for component extraction	-	1	Set	Research & Development Division	D	2024/4	2024/9	Replacement of distillation equipment for component extraction
Others	Others (components)	Inspection and repair of ultra-pure water treatment equipment	-	1	Set	Research & Development Division	D	2024/4	2025/1	Inspection and repair of ultra-pure water treatment equipment
Others	Others (components)	Drone LiDAR	-	1	Set	Research & Development Division	D	2024/5	2024/7	Drone LiDAR
Others	Others (components)	Inspection and repair of electron probe microanalyzer	-	1	Set	Research & Development Division	D	2024/5	2024/9	Inspection and repair of electron probe microanalyzer
Others	Others (components)	Spare sensor cables	-	1	Set	Research & Development Division	D	2024/5	2024/12	Purchase of spare sensor cables
Others	Others (components)	Electron probe microanalyzer	-	1	Set	Research & Development Division	B	2024/6	2025/5	Replacement of electron probe microanalyzer
Others	Others (components)	Environmental vessel and hydrogen-filled unit for fatigue tester under hydrogen environment	-	1	Set	Research & Development Division	C	2024/8	2025/6	Installation of environmental vessel and hydrogen-filled unit for fatigue tester under hydrogen environment
Others	Others (components)	Toll parking lot system	-	1	Set	Regional Symbiosis Facility (former Nagoya Port Wild Flower Garden)	C	2024/9	2025/2	Introduction of toll parking lot system as a part of Nagoya Port WFG renewal
Others	Others (components)	Motor-driven roll screen	-	1	Set	Regional Symbiosis Facility (former Nagoya Port Wild Flower Garden)	C	2024/10	2025/3	Replacement of motor-driven roll screen as a part of Nagoya Port WFG renewal
Others	Others (components)	Inspection and repair of hydrogen analyzer	-	1	Set	Research & Development Division	D	2024/12	2025/2	Inspection and repair of hydrogen analyzer
Others	Others (components)	Office fixtures	-	1	Set	Research & Development Division, Main Building and East Building 2nd floor	C	2024/4	2024/7	Replacement of fixtures for Research & Development Division office restructuring
Others	Others (components)	Office fixtures	-	1	Set	Research & Development Division, Main Building and East Building 3rd floor	C	2024/5	2024/8	Replacement of fixtures for Research & Development Division office restructuring
Others	Others (components)	Office fixtures	-	1	Set	Research & Development Division, East Building 4th floor	C	2024/6	2024/9	Replacement of fixtures for Research & Development Division office restructuring
Others	Others (components)	Office fixtures	-	1	Set	Research & Development Division, Main Building and East Building 5th floor	C	2024/7	2024/10	Replacement of fixtures for Research & Development Division office restructuring
